Insurance provider _____ Boat description(s) _____ % owned _____

Volunteer requirement: Nereid expects its members to be available to volunteer for the club 8 hours per year. Nereid needs volunteers to support a variety of events including National Learn to Row Day and the Head of the Passaic Regatta. Before these events, we will reach out to the membership for help. Nereid relies on volunteers to help with membership drives, community events, welcoming new members, and recruiting junior athletes. Nereid also needs its members to help with upkeep around the boathouse such as gardening, simple woodwork and construction, and painting. If you have other special skills that would be useful to the club, please reach out to the Board or coaching staff and tell us how you can help!

Total owed (Attach 2024 Payment Method Authorization form with credit card information or check)

Membership _____ + locker fee _____ + boat storage fee _____ = _____
